Dear Miss Gilpin:

Thank you very much for your card. We have sent 50 copies of THE RIO GRANDE to you by freight instead of the 25 we had planned to send. Freight requires a minimum of 100 lbs. but was so much cheaper than parcel post that we decided it would be the best way. As soon as we hear what the shipping charges are we will forward the return expense to you.

We are also sending 2 copies by parcel post as we have a customer anxious for a copy right away and we don't know how long the freight shipment will take. Hope this will not inconvenience you too much. We are also returning the three prints which you left us for display.

Sincerely yours,
