Dear Miss Gilpin:

This is a tardy acknowledgment of your letter of November 1. The captions for the photographs will be as you wish. We may or may not give date and place but would like to have information complete in case we do:

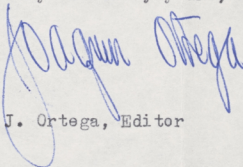

FAITH (Hernández) -- Kindly give date. I believe I asked you for it, but cannot find it in your folder.

SAND PATTERNS (White Sands), 1945. This date is on the back of the picture.

Your order for six extra copies of the Winter issue has been entered in our records. They will be billed at author's rate.

Kindest greetings to you and Miss Foster.

Very sincerely yours,
