Miss Laura Gilpin,
837 El Caminito,
Santa Fe, New Mexico.

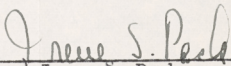

Dear Miss Gilpin:

At this very late date, and with many apologies, I should like to thank you again for your delightful talk at the luncheon meeting of the New Mexico Library Association.

I was away almost constantly from the middle of November until a few days before Christmas. So many people, both here and in other parts of the state, have said how much they enjoyed your talk.

Thank you again for contributing so much to our meeting.

Sincerely,

(Mrs.) Irene S. Peck,
Executive Secretary,
State Library Commission.
