OFFICE OF THE GENERAL SECRETARY

January 13, 1950

Dear Miss Gilpin,

Thank you for your very full and interesting letter. We would like very much to have you fill out our questionnaire so that we may put you on our list for possible lecture engagements.

As I wrote you on December 2nd, our program for 1949 and early 1950 is already set up, but we shall keep your file on record here and hope to be able to arrange something in the future. One question: would you be willing to go to California if lectures there can be arranged?

We look forward to hearing from you again.

Sincerely yours,

Mrs) Miriam W. Richmond
Assistant Secretary
