

GHOST RANCH LODGE

801 CASA GRANDE HIGHWAY

TUCSON, ARIZONA

Nov. 27, 1950

Dear Laura.

Will you please make up for us two 11x14 prints, not glossy, one of the view of Pedernal and the ranch taken from the hill behind the School House and ^{one} of the ranch and chimney rock taken from the hill across from the alfalfa field. I hope you know the two I mean. It sounds terribly involved the way I've described them. They are for Lance Perentzen for Christmas so if you could possibly get them here in time to be framed before the 25th I'd appreciate it so much.

We are enjoying our winter in Arizona but I shall be so glad to get back to the ranch come Spring. I'm not very fond of the desert and

The dust is terrible.

Earl sends his best regards
to you and to Miss Foster along
with mine.

Sincerely,

Helen Vance

P.S. Miss Emily Alexander, The Adobe,
West Broadway, Tucson is
interested in having some of
your post cards to sell in her
shop. She has a lovely place
here in town. I told her
that I would ask ~~her~~ ^{you} to
write ~~her~~ ^{her}.
