Dear Laura:

Just a note to let you know that we have decided to go through with the show on Pictographs. Consequently, we will accept the proposal for your assistance on the photography at a fee of \$100. I do appreciate your willingness to assist for I know that it is taking time out from your own work but unless we could rely on someone who understands the material and at the same time is able to turn out the negatives we will need, we would be helpless for none of us seem to be able to get away from Colorado Springs long enough to do the work.

Fortunately, we will have our 8 x 10 enlarger by that time and we can work from the negatives. Thanks again to you for the suggestion.

Greetings.

Sincerely yours,
