Dear Laura:

Imagine my embarrassment when I realized that you have had neither acknowledgment nor payment for the work done for the museum last June. The photographs did arrive safely and we were all delighted with them and will be using them for Agi's show this autumn. As you have probably learned from her, we have boosted the date of the opening of that show along in order to take advantage of gallery arrangements.

Enclosed is the museum's check for \$100.00. I am truly sorry that this has been neglected until this late time. However, you will now have the pleasure of spending it with autumn just around the corner. Greetings to you all and I hope you will be coming up for the exhibition, also let me remind you of the Edvard Munch show in November which will be one of the outstanding shows in the west this year. It will not be seen elsewhere in this part of the world as it goes on out to San Francisco. It opens here on November 23. Greetings.

Sincerely yours,

MAW/ce
