

ANSEL ADAMS PHOTOGRAPHY *San Francisco and Yosemite National Park, California*

GILPIN!!

*October 23
1951*

Dr. Land is sending you a Camera.

Good shooting!

It will be a good way to make a Navajo!

We are still in the throes of carpenters, electricians,
painters, plumbers, floorers, ceilingers, wallers and bills.

But when you come west - OH BOY!!

Swell meeting you

as ever*
