My dear Miss Gilpin:

I am delighted with your Beredot Cards, of course.

Please print me on cards that take ink - as I invariably write a lot there :- 100 copies

(Being "tight", I will have the price too!)

I always enclose such beauties as yours, and so do not need any printing on back - unless your orders need it?

Tell me this: Cost of a reproduction of "Me & 5" enclosed, size of enclosed? I am considering a Christmas Card to my Choir Alumni, who honored me for a picture and I find this more satisfactory than others since. Best wishes J.F.A.
