Dear Mr. Alexander:-

Here are two sample prints of the reredos of Cristo Rey. One is the negative used in my Rio Grande, (the one with the priest), the other is another negative. Either would work up well on a regular postcard. I do not have any sensitized post cards in stock right now and will wait until I hear from you as to how many you will want before I order them. But this will give you an idea of how they will look.

I have another order for postcards in right now and when I hear from you I can finish all of them at one time.

I hope that either one of these will be to your liking and that I may have the pleasure of doing them for you.

With best wishes, I am

Most sincerely
