Dear Mr. Alexander:-

Thank you for your letter and its enclosures. I shall make the 190 postcards of the reredos (with priest). As I have other postcard orders in I had already ordered the material which should be here any day.

You at the age of 5 is certainly cute! Your choir should love it! The cost would be \$5. for making the new negative and \$10. for a hundred prints as per enclosed. This with the reredos would total \$25.00, the very best I can do with material costs as they are now.

I shall be off again on another lap on the Mavaho book in a few days. Will return in about two weeks and can then do all of this for you.

With the very best of wishes

Most sincerely
