

December 11,
1961

Dear Ben:-

It was certainly nice to have you come along. We did enjoy the concert and your part therein. I would love to hear both the Mozart and Brahms right over again.

Here are your proofs and I am hoping that you will like them. Any of them will make good prints and I am anxious to work them for I felt that there are two or three particularly that are really good. Prices are as follows:•

Sitting and your choice of any four	
in first quality finished prints	\$25.00
Duplicates	5.00
Dozen	50.00
Glossy prints (double weight) ea	2.00
enl'd to 8x10	dup's @ \$7.50, dz. \$75.
The Rio Grande prints are	
size 8x10 (original)	\$15.00
size 11x14	20.00
size 18x20	25.00

The tie came back yesterday! I was going to write and send you a bill for exchange for a record of yours!

To go back to your portraits, the catch lights in your eyes can be brought down, but I would not do it too far as it definitely denotes your keenness..

With the best of wishes for a good holiday, and do come by this way again,

Cordially
