Dear Sirs:-

Will you please send me one
No. 90130 Vacuum Pump for use with a Kodak
Vacuum Register Board for Color printing.
Your name and the above pump number are
listed in the instruction manual of the
Register Board, but no prices are given.
Will you either advise me of the cost so
that I may send you a check, or bill me for
it, or send it C.O.D.

I assume that instructions for the use of
the pump will come with it.

Very truly yours,
