Mr. Albert Kornfeld,
HOUSE & GARDEN
420 Lexington Ave.,
New York, 17
New York.

Dear Mr. Kornfeld:-

Herewith are two 5x7 color transparencies and two black and white glossy prints of Mr. & Mrs. Robert McKinney in their garden at Nambe. Mr. McKinney called me on these several days ago but he did not tell me that these were for you until I had finished making them. I understood that he wanted pictures of his garden with this new furniture, and I made these at his very specific direction. You may prefer closer shots of the furniture, and had I known what they were for, I would have done some close ones anyway. However, I hope that these are what you will want.

If you need anything else I can make it at most any time, and quickly as I process all my own color.

With best wishes, I am

Sincerely yours,
