Miss Catherine O'Dea,
2 West 45th St.,
New York, 19
New York.

Dear Miss Day:-

I have your letter of the the 15th regarding the photographs for Brenda Putnam's article "Sculpture in the Americas" for the BOOK OF KNOWLEDGE. I am wiring to her to see just which pictures of the two mentioned subjects she wishes as I have a number of negatives of both subjects. As soon as I hear from her I shall prepare the prints for you and forward them at once.

Very truly yours,
