Mr. Donald Stophlet,
Central City Opera House Asso.
Denver, 2
Col rado

Dear Mr. Stophlet:-

As our letters crossed regarding the enlargement of Lillian Gish, and as the print must have reached you in the next day or two, I have not answered your last letter. I assume that it reached you and was satisfactory or I should have heard from you. I dont like to send out anything I have not seen, but as this firm in Chicago has done very satisfactory work in the past, and as they are essentially equipped to make such enlargements and I am not, I felt that you would profit by my having the print made there.

I hope the first half of your season has been crowned with its usuall success and I wish mightily that I could get up to see Katherine Cornell, but alas, I dont see how right now. If it is possible I do want most to get up to Aspen for the photographic Seminar which is really a "must".

With best wishes for your Central City season,
I am

Very sincerely you s,
