Dear Susie:-

Not hearing from you about the proofs of the Truslow-Lilly pictures, I have go ahead and finished the selection your mother made for your portfolio as I know you must be wanting it. I have mounted the pictures back to back which holds them nice and flat, and put them in sequence and I hope the order will be to your liking. The portfolio was shipped to you yesterday and I trust reaches you promptly and in perfect order.

I took the prints out to the girls to sign and I will reimburse them for the use of their negatives.

I hope this finds you well and that everything is as you wish it with the pictures. With the best of wishes, I am

Sincerely yours,
