Dear Miss Gilpin:

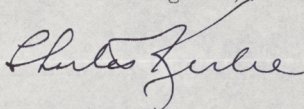

Thank you so much for your very excellent cooperation in making the Plymouth photos. We are planning to use two of your second day's photographs by putting them together - the ones with the cattle in them.

I am sorry about the weather, but certainly no one can control that and in spite of it, we did make the deadline.

Will you please send me your bill, with an itemized account of your expenses.

If at any time I can send you some other work, I will certainly do so.

Thank you again, With Best Regards,

CK/J

P.S. Just received the two model releases you sent with your letter. Am not sure whether these are acceptable to my client. Could you possibly get the two men, Earl Vance and Jody McDonald to sign two copies each of my releases enclosed herewith.
