Dear Laura:

Both Berenice Abbott and ~~my~~
son Doug (going to Colorado College) spoke
appreciatively of having seen you at
Aspen. Since Marc and I had neither time
nor money to get there - at least I
can write - say Hello and how are you.

I am mailing ^{you} my long labored-
over book on children. Now I am beginning
something that may prove foolhardy - a
written book. no pictures.

Doug's enthusiasm for the West
is fanning a westward going feeling that
is gaining strength all the time.

How are you and what are you doing?
Some time I want to reciprocate and
make a portrait of you in thanks
for those you made of me.

If you are contemplating a visit
back here please be sure to let us
know and visit us. Berenice Abbott
is coming out for dinner in a few days and
I will show ~~you~~ her your books if
she doesn't know them all —
She liked you very much.

With best wishes and good
luck from both Willard and I,

Barbara
