Dear Laura:

Please excuse this belated reply and acknowledgment of the gold and silver coins you sent me for evaluating, to-wit:

One Mexican silver coin -- 1896
Ferdinand VII silver coin -- 1809
Bolivian silver coin -- 1836, tied with ribbon to a
U. S. 50-cent piece dated 1808 and a U. S. Columbian
half dollar -- 1892
One U. S. gold dollar-1851
One U. S. gold dollar -- 1862
One U. S. Commemorative gold dollar, Louisiana
Purchase Exposition
One Mexican gold coin -- 1858

There is a coin broker here. I have tried to see him several times -- when I was in town, he would be out of town. I finally left a note on his shop door to call me as soon as he can and have written a letter to his place also. As soon as I can get them evaluated I will ask you whether you want them returned to you for your collection or whether you want to dispose of them.

Skipper returned from school and is going to summer school here to make an algebra credit. We hope to send him back to Fountain Valley this fall. It doesn't look like we will get much of a vacation during the summer months. Possibly we can drop by Santa Fe enroute to Fountain Valley in September. Anyhow, Ruth sends her best love to you and Mrs. Foster.

Sincerely,

JPM:jl
