Dear Laura:

Just a line to see if we understand your dates, and to give you an idea of what we hope to do. Someone has said you were flying here Friday so we are planning our preview for the camera people that night at eight--Friday. The Art School staff will have a Community supper at the Gallery at six--preview at eight. If you wish any especially asked please send names.

Saturday at one o'clock one of our Board members is giving a small luncheon at her house.

Saturday evening preview for the Art Association members. *and I*

Sunday evening--Mary Elizabeth are having a few for tea at our house and Monday at eleven we want you to talk to our Monday group--followed by the regular luncheon.

I hope that won't crowd you too much as all will be informal and we want to include any friends you may wish especially to see. Please tell us how we can procure some of the new book for those who wish to buy and have you autograph. The boxes have arrived in good shape.

Looking forward to seeing you. Let me know time of arrival--we will meet you. As ever,

Sincerely and anticipating,

Maude G. S.
