December the third, 1951.

Dear Laura:

Just a line in a mad Monday rush. Check for your expenses--thank you for everything. Second check for the bird tree we want as quickly as possible as want to present to Childrens Museum. It was to be finished in November --I paid \$30 on account from the religious shop and if you can manage to see them it will be a great favor as hard to get results by mail.

I also wrote the publishers for two dozen of the Rio Grande to be shipped direct to you and if you will autograph and send as quickly back to me for many are Christmas gifts, Ill be again greatly indebted to you.

Hope you are easing up a bit--its worse and worse as Christmas grows on the horizon.

We all send love.

M.C.S.
