Dear Mrs. Gilpin —

We saw your most
wonderful Taos pictures
in Mabel's book and
now we have to have
some of your Taos —
and Indian fotos
How could we make
it? Do you have a
folder with pictures
on it, to choose from?
We'll go to Europe
next month and we'd
love to take several

with us, because we
fall in love with Taos ~
and will come back
there.

Very truly yours

Dr. and Mrs. E. Spohn
