Miss Laura Gilpin,
Santa Fe
New Mex.

Dear Miss Gilpin:-

I doubt that you would remember me, but my husband and I met you at Gil Travelers, several years ago, just as you were starting on your trip up the Rio Grande. We have spent the past eight years at Shirley Wills camp, Shirley is a brother of Mrs Carrol Wetherill, from whom I purchased one of your books "The Rio Grande" and which my husband and I have enjoyed. We have made many pack trips all through the Rio Grande National Forest and love every foot of it.

I have just completed a book titled "Lady Angler" this treatise covers thirtyfour years of our experiences of camping and fishing in many parts of the United States and Canada. It will be printed by an outstanding Publishing Co. of N. Y. who have ask for photographs, and since all or most all of ours are movies, I am anxious to obtain one or two good ones of the Rio Grande, two of yours are just what I would like one is on page four and the other on page 32 of your book the one one page 71 is also very good. Would like to hear from you by return mail if it would be possible to obtain these pictures for use in my book. Thanking you in advance, I am,

Sincerely

Mrs C A Wheatley
