FREDERICK ALEXANDER
6970 CENTRAL AVENUE
LEMON GROVE, CALIFORNIA

Dear Miss Gilpin :

Have you made a postcard
of the Cristo Rey Peredros?

I could use perhaps 200, for
Christmas — it being for me
the finest relic of early days
in Santa Fe. The former owner
of the "Camera Shop" made a beauty,
not now available, I hear.

I Enclose a Chuck Abbott Kodachrome
which I use now for many Michigan
friends who find it quite exciting.
My objection to many of these cards
is the type of surface not taking to
ink.

my best wishes to you.

I Enclose the
Camera Shop
result for your
judgment? plus
return envelope.

Frederick Alexander

Could you — (or would you not care to?) make
a reproduction of it?
