Dear Laura.

The photographs are
beautiful & arrived in time -
may I have four glossy prints
of mine - I am having a
show opening in London. May 19th
& I will use your picture of
me painting for the Press. If
they want me. Also - could
I have two of Arthur & two of
me in a smaller size, & in
what ever sort of print you would
like to make. Naturally I would
rather the platinum prints, if
it won't be too much of a
job for you - They were very much

admired -

I am thrilled at the
prospect of Grandma Anderson
showing at the Royal Water
Colour Society and rather
jealous too. But it gets
me a trip to England, with
Arthur in the spring - D.V.

A happy New Year to you
& good luck to the new
house & studio -

Faithfully

Alice Strane Anderson
