Dear Laura Gilpin:

We shall look forward with great anticipation to the material that you are sending us.

Always remember, if you have an scenic color shots that might deal with the western scene, whether ranching, cattle, Indians, panoramics or anything like that, I would appreciate very much if you would send them to us for consideration.

I believe in my last letter I mentioned that we would soon be starting on our December issue and any of these things that you could let us see, we would be very happy, indeed, to look them over. As I told you in my previous letter, Laura Gilpin is the one outstanding photographer in the west, who has not been in our pages and we want to rectify that omission as soon as possible.

Sincerely,

A handwritten signature in cursive script, reading "Raymond Carlson". The signature is written in dark ink and is positioned to the right of the word "Sincerely,".
