Dear Miss Gilpin:

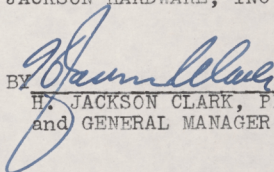

Thanks very much for sending the photographs of the Grand Imperial Hotel. We have taken the liberty of forwarding them to the manufacturer of our souvenir plates in California, so that he might get an idea of the interior and exterior of the hotel for the purposes of manufacturing a plate. General Corlett was quite interested in this project this summer, and we are just now getting ready for the next summer's tourist trade.

We'd certainly like to have you stop in our store the next time you are passing through Durango. We have admired your work so very many times, and would like to become better acquainted with you.

Thank you very much for your cooperation.

Very truly yours,

JACKSON HARDWARE, INC.
