Dear Miss Gilpin:

I have received your third group of 8X10 transparencies and your letter of August 18th.

We found, in the second group you sent us, just the right shot. I am sure you will be delighted when you see the final result in our December issue. Therefore, we will return the third group to you as there is no longer any need for them.

I hope your vacation in the Navaho country will be an interesting one, and as we are very interested in Indian Art and Decor we would appreciate seeing any photographs you may take (which I feel sure you will).

Sincerely yours,

Wolfgang Fyler
Art Editor
