Dear Mrs. Anderson:-

How splendid that you are to have a show at the Royal Watercolor Society in London. I am delighted and I am sure that it will be a great success.

The glossy prints for your publicity are in the mail with this as well as the four reduced prints of both you and Mr. Anderson. These are the best quality silver prints, not platinum, as the platinum process is a contact printing process only. I am sorry to disappoint you in this, but I hope that you will like the prints as they are.

All goes well out here. At long last we have had good moisture. Much snow in the mountains and unusual rain here in January.

With all good wishes,

Most sincerely
