Mr. Raymond Carlson,
ARIZONA HIGHWAYS
Phoenix, Arizona.

Dear Mr. Carlson:-

I returned two weeks ago from another Navaho trip with a lot of material both for my book and otherwise. I have quite a series on the crafts of the Pine Springs area that I should like very much to show you.

I am going back over there on Monday and will be at Pine Springs for several days, until Thursday of next week. It occurs to me that I might come on down to Phoenix to see you, and show you what I now have and have some idea of what I may have done between now and then. Will you be in Phoenix and would you drop me a line % Mr. Sam Day, Pine Springs Trading Post, Houck, Arizona to reach me there before I leave there?

I am thinking of an article with pictures both black and white and color of the crafts of the Pine Springs area.

Some day I will get to Zuni! But my book has to come first though I keep trying to figure out time to go down there again.

Of-course I am curious as to which pictures of mine will be in the December issue. Hoping that it will work out to come down to Phoenix, I am

Very truly yours,
