The Meriden Gravure Co.,
Meriden, Conn.

Dear Sirs:-

At long last here is a re-order on twenty one of my old postcards and five new ones. The title copy on all the old ones is to be the same but I want to drop the "Gilpin Publishing Co., Colorado Springs, Colo." This is now all in my hands and as I no longer live in Colorado, "Santa Fe, New Mexico" is sufficient address. So all copy refering to me as photographer and publisher can be put into one sentence.

COPYRIGHT, LAURA GILPIN, SANTA FE, NEW MEXICO.

This at the bottom of each card.

Copy for the new cards is under each new print.

If you will print 1000 copies of each and send out as soon as possible. The Museum of Navajo Ceremonial Art is needed the reprint on their cards.

I shall be out of town for the next two weeks and I trust that all is clearly indicated and there can be no cause for any delay.

Very truly yours,
