Dear Mrs. Schollenberger:-

So far I have done nothing further about another showing of my RIO GRANDE. So send the prints back to me. I just haven't had time to even think about it and I certainly need a manager.

The day your letter arrived I wrote to Mr. Duell direct about the book order. I suppose that with the merger of D.S. & P and Little Brown & Co. who now handle all sales, that something went wrong. I knew that I had never received the books and I more or less took it for granted that they had been sent direct to you. Mr. Duell will straighten it out I am sure. I am extremely sorry that this occurred and I am sure I have no idea as to why. Did you place the second order with Mr. Hurdon at Duell, Sloan & Pearce? I presume that you did for I am not at all sure that you knew that the association with Little Brown & Co had gone through. In the future this Co. will do all the selling and the editorial work will be done in New York with D.S. & P.

I haven't had time to get up to Henriette's to photograph the fender, but will do that in the next few days. Betsy's sister & brother in law are here and we are going down to Carlsbad for a couple of days. Will do that the minute I get home.
The best of wishes to all
