Mr. Earl Vance,
Grand Imperial Hotel,
Silverton,
Colorado.

Dear Earl:-

Your letter was waiting for me when we got in from a long and very profitable Navaho trip, profitable as to material for the book. While we have been home for several days, I have been so deep in processing and there has been so much to do, that I have been delayed getting at a heap of mail.

I shall be glad to make you enlargements of the hotel pictures. Good 16x20 enlargements mounted flush for exhibit purposes would be \$10. ea. If you should see them soon please phone me (collect this end) (2-0032) as I am going off for some Yeibitchei pictures very soon. Will be gone again for a week.

Yes I have some aspen pictures of-course, and a few ski, though not too good. Done many years ago at Los Alamos School. I shall have to make prints but you are welcome to the use of them if you need them.

From all I hear, you have had a good summer. We were greatly disappointed not to get up about a week ago. But you can count on my coming up during the winter when the snow is right. and then I can get some ne ski things for you. I want to do some mountain snow pictures for calendars.

This last trip has given a big boost to my Navaho book and I shall soon be over the big hump and xxx on the home stretch.

My best to Helen
