Dear Mrs. Webb:-

Your letter of July 2nd reached me this morning and I wired you at once. I am very interested in the exhibitions you are arranging and I only wish I might cooperate to the extent of sending you the prints you wish gratis. Unfortunately I am not in a position to do so and have made you the best possible price I can. The chief element is one of time, as I am at this time extremely busy. I have undertaken the photographing of the collections of the new Museum of International Folk Art, here in Santa Fe which is not yet open. This Museum, I am sure, will be of interest to your Society when it is open.

While I have a very heavy schedule for the next few weeks, I shall reserve time to make these prints for you if you wish them.

With best wishes for the success of your undertaking, I am

Sincerely yours,
