Mr. D.E. Whitlock,  
P.O. Box 1094  
Albuquerque, N.M.

Dear Mr. Whitlock:-

If you will please send my 5x7 up. Have been trying to get down but it doesn't work out. I shall be through Albuquerque probably a week from to-day or to-morrow. Have wanted to get my 8x10 down to you but have had a sudden run on architectural work. Will need it again Friday. I will stop to see if you can fix my rising front while I wait for it as I go thru, if not it will have to wait until I get from a work trip.

What did you hear from Goetz?

Many thanks,

Sincerely you s,
