Dear Laura:

We received your request for one package 8 x 10 Ektacolor Print Film, and are very sorry to advise that we do not carry this film in stock as we do not have sufficient call to maintain a fresh stock.

If the film is not stocked in Dallas it would probably require thirty days or more for delivery, but we should be glad to obtain the film for you.

An order is being entered for the G. E. Interval Timer, lever type, to be shipped by regular parcel post.

We are getting ready to print a new price list of film and paper, but the following discounts apply to sheet film: Orders under \$50.00, the discount is 12%; \$50.00 to \$149.00, 15%; \$150.00 to \$399.00, 18%; and \$400.00 and over, 20%.

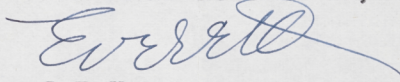

The photographic paper carries the following discounts: Under \$150.00, approximately 16-1/2%; Over \$150.00, 19.75/100%; and \$400.00, 21.95/100%.

The discounts on both film and paper are figured on the list price.

One reason that we have been unable to furnish new price lists is that the manufacturers have not as yet been able to furnish us with new prices since the excise taxes have been eliminated. On those items on which new prices have not been received, we are using the old price and merely deducting the excise tax that was involved.

Very truly yours,

LAWRENCE PHOTO SUPPLY, INC.
