Dear Miss Gilpin:

Thank you for your letter of February 12th. Yes, of course, I would still be happy to act as one of your references on your application to the Viking Fund. Technically, it will now be as a "reference" because the Indian Arts Fund is your "sponsor." When you send the papers into Dr. Fejos, just list me as one of your references. This means that you send your papers directly to Dr. Fejos and he then writes me directly for my opinion.

I look forward to your book very much. I understand perfectly your reactions to Navaho Means People and I am certain your book will constitute an invaluable supplement.

With kind regards,

Yours sincerely,

Clyde Kluckhohn
