McNARY, ARIZONA

Tuesday 9/5/52

Dear Mrs. Gilpin:

I return herewith the proofs, don't care for 2-3-4 or 6. No 1 is probably the best & no 5, second best. No hurry about them - so finish your trip - & then we'll decide. As I'm in Santa Fe frequently, no need for you to come here.

My children don't care especially for any of them. I think I look tired. Which I guess I did. I had just finished two strenuous days at Lovelace Clinic & probably should have waited.

Please show them to Mrs. Dickson. See if she likes any of them, and get her reaction. I'll plunk her about them in a day or two. And presently decide.

Thanks for your interest.

Sincerely,

James McNary
