Dear Miss Gilpin:

Thank you for your letter of October 28th and the proofs of your card. We are remaking the Silverton, Colorado card so that there will be a margin at the top and the full area of the mountain will show. This will mean that the side margins will be slightly wider.

Your directions are all clear, and we are sending your completed order out to the plant for production. We believe we will be able to ship in about two to three weeks time.

Very truly yours,

THE MERIDEN GRAVURE COMPANY
