Dear Laura:

Thank you for the beautiful Christmas card. We went to San Antonio for seven days and got caught in the big storm at Norman and had to leave the car and come home on train. Such a mad rush before and after the Holidays and so many loose ends, but slow picking up.

I've been trying to write you about the fire place pieces you spoke of leaving with the antique dealer. I mentioned to one of my clients and she wonders if you could set the price--you were uncertain--give the measurements or better still send a cut or photograph of them. If too much trouble don't do it.

Nov. 24th we sent to Duell-Sloan and Pearce--N.Y. an order for two dozen of the Rio Grande book asking they send to you to be autographed and you send us to save time. As you know no books have arrived or even an acknowledgement. I wonder if one of those mail mishaps. Anyway my Art Assn women are driving medistracted because some of them were getting as gifts for friends. Two months seems a good while.

Will you also tell us if wish the photographs sent to you or some other address. We are now showing the Graphic Arts and preparing for a large one man show--Thomas Hart Benton. Decorative Arts bounding in also and never a day I do not send a group of blanks.

Hope you have had some rest and the house all settled and you two giddy girls are well and happy. Love to both from all of us.

M.G.S.
