Dear Laura:

This morning we mailed our check for the amount of your statement plus \$65.00 for the additional prints which did not appear on our original order. As soon as I collect from Mr. Waddington and the chef, I'll send their checks to you.

We would very much like to have some postcards made, and quickly if possible. I suggest that we use Nos. 2, 5, 6, 8 and 15. As soon as I can, I will send you the text that we would like to have on the back of these cards. Meanwhile, I would appreciate it if you could get for us information as to cost, delivery date, etc.

We might also want one or two color cards. Do you have any better recommendation than the Dexter Press who did ours at Ghost Ranch?

It occurs to me that a few of the scenery shots might be attractive for resale in the museum. Should those be mounted or would you suggest we just try to sell the glossies at a fairly nominal price?

All best wishes from everyone here.

Sincerely,

Earl Vance
