Dear Laura:

Mr. Morten has suggested that an exhibit of fall and winter photographs of this area would be very helpful in persuading guests to return. Of course, we have not had time to make such photographs and I wonder if in your files you would have aspen and snow pictures that would serve the purpose.

We would also like to have made up enlargements of several of the hotel pictures to be used in exhibits in Dallas. Can you give me an idea of the cost?

Sincerely,

Earl Vance, Manager
