Miss Laura Gilpin
Box 1173
Santa Fe, New Mexico

Dear Laura:

We were sorry to miss you when we were in Santa Fe earlier this week. We called at the house but guess you were out for the morning or were still on the Navajo Reservation.

Would you please order postcards made from each of the enclosed color negatives. The text for the picture of the lounge should read "Chief Ouray Lounge of The Grand Imperial Hotel, Silverton, Colorado." For the dining room, it should read "Main Dining Room of The Grand Imperial Hotel, Silverton, Colorado."

Three thousand of each of these cards will be sufficient for the original order. Do you have any idea as to when we could expect delivery?

Best wishes from us both to you and Miss Foster.

Sincerely,

Earl Vance
