TELEPHONE . . . 3-1857 E. JANE WILLIAMS

July 18th Dear Miss Gilpin,
E. Boyd has sent me a group
of photographs which you
took of Warren Gilbertson
and his work. I am delighted
to have them and anxious
to see the others which you
took. I had expected to get
in touch with you this past
Monday when I was in
Santa Fe, but passengers
always complicate business
and so my plans did not
work out. I shall probably
want some prints of

The other shots, judging by
E. Boyd's description of them.
I don't know just when
I'll be in Santa Fe again -
probably soon - but if
you want to bill me for
the six I have in the
meantime I shall look
forward to seeing the others.

Should you be in Al-
buquerque do bring the
other prints along and drop
in the Gallery. I am here
between noon and 8 P.M.
except Mondays, and shall
look forward to meeting
you.

Sincerely,

Jane Williams
