Dear Miss Gelpin,

I expected to get to Santa Fe yesterday, so put off writing to you. However, my plans changed - thus a somewhat tardy letter. Don't give up on the money I owe you - I've had some unexpected expenses this month and some delayed money due, but will settle my account with you just as soon as possible.

Secondly I'd like to verify dates for your show.

Does September 21 to October
19 fit your schedule?
Would you like me to have
some copies of Rio Grande
for sale during your show?
I shall be looking forward
to your exhibit.

Sincerely,

Jane Williams
