Dear Miss Gilpin:

Thank you very much for your recent order of color prints. These are being sent to you via air mail today. The boys have worked very hard to do a good job for you, and I have just okayed the order. I think you will be pleased with the prints.

You made one request which we were unable to meet, and that is that we keep the far wall showing blue. This we found impossible to do. I am sure you will appreciate that it is impossible to reproduce on paper all the tones which it is possible to see in a transparency, and the best we can do is to get the principal values in a pleasing effect and to let the other values fall where they do. Even so, we feel we did a very good job.

We hope your new museum is a huge success and look forward to hearing from you.

Yours sincerely,

Ralph B. Atkinson
