

Many thanks for the card

Dear Friends:

Aragevine tells us that there is to be a
Yei-ki-dai Dance in March Pass-
between Tonalea & Kayenta, Ariz. —
by this week-end. Bert Tallsalt, our
tribal councilman here plans to be
there and would be most helpful in
making contact for you. Inasmuch as the
Tribal Council is now in session at
Window Rock you could call him there —
thru Robert Young's or Alan Hergen's offices
before 9:00 A.M. & leave word for him
to call you. Soon after you left
we had 2 Squaw dances here —
the weather is delightful — warm & hazy

Today being Sabbath I have labored
harder than usual - at 5:20 this a.m.

I delivered a new boy into this lonely
land of ours. In another few moments I shall
go out and try to help a sick lady -
tomorrow will be just routine & school.

We are now filled to capacity - darling
everyone. If possible tell the Kongsaks
of this Yei Kwei - I'd so much like to have
them come before they close the school -
I doubt if we shall go on another year -
Please remember me to Miss Betsey -
