Dear Miss Gilpin:

In connection with an article on 'metal in New Mexico' I would like to use a photograph you took of metal jewelery. I believe this series of photos was taken at the University of New Mexico in connection with a fashion showing several years ago. There's no date on the pictures but they do carry your name and address. We've had them in our files for three years at least.

We will be glad to pay your regular price for use of the photo and will run a credit line. The article is scheduled for the September School Review -- plate deadline August 15th. I would like to get the photo off to the engraver by August 10th.

Thanking you in advance for your cooperation, I am

Cordially yours

(Miss) Minnie Gilliland
