Mr. Walter D. Forbes,
Grand Imperial Hotel,
Silverton, Colorado

Dear Mr. Forbes:-

I have been hoping to hear from you for several weeks to know that the last shipment of postcards reached you safely. The San Juan Basin Lines phoned me about two weeks ago saying that the Farmington office had written in about the shipment being C.O.D. This was doubtless due to the fact that there was a C.O.D. label on the box which did come in to me C.O.D. from New York. The cards are all paid for and the only collect item would be the shipping charge from Santa Fe to Silverton.

I would greatly appreciate a settlement of this account. Nearly all of it is for the post cards, both the black and white and color cards. I have handled all this as courtesy to you and I am now needing that money for other projects. I am leaving next week for an extensive trip on my Navaho book and would greatly appreciate it if I could have this check before I go.

As I have heard nothing from you since my last letter and since the postcards reached you, I am anxious to know that you have received them in good order.

Very truly yours,
